

Position: Math Grades 5-10 for 2024-2025

Location: Vegas Valley Adventist Academy in Las Vegas, NV

Status: Exempt, Full-time, Full benefits

Salary: The salary for this position is based on the wage scale determined by certification, level of education, and years of experience.

Job Description:

Vegas Valley Adventist Academy (VVAA) serves students from Transitional Kindergarten through 10th grade. Each classroom has two grade levels. The vision for VVAA is to grow the upper grade enrollment and move towards expanding into a senior academy.

VVAA is looking for a math teacher to offer departmentalized math instruction for grades 5-10. The school has recently implemented the AVID program and is seeking a teacher who can provide a rigorous curriculum while also supporting students through the learning process. The ideal candidate would be a team player who accepts additional responsibilities based on the strengths of the teacher and the needs of the school (i.e. supervising a homeroom, teaching additional subjects, helping with school events, and/or sponsoring extra curricular activities).

Qualifications:

We are seeking candidates committed to the ministry of Adventist Education as we grow loving followers of Jesus. Qualified candidates:

- will be active members in good standing of the Seventh-day Adventist Church
- will have a minimum of a bachelor's degree

- will hold or be able to obtain a NAD Jr. academy math endorsement
- will hold or work towards obtaining a NAD Sr. academy math endorsement
- will have experience teaching, preferably in a multi-grade setting
- must pass a background check

Please include a list of three references with contact information along with your resume and cover letter. Interviews may take place prior to the resume due date of April 1, 2024.
